Lastly, enclosed is a Notice of Recordation issued September 24, 2004 for the above-referenced application. We also enclose a copy of the Inventor's Declaration which was not previously submitted since we never received a Notice to File Missing Parts.

Applicant requests the July 18, 2003 filing date be applied to this application. Please consider this request a petition, if necessary, and charge any necessary fee to Deposit Account No. 19-4375. Upon grant of this petition, please refund any fee for this petition to the same deposit account since the loss of the application is the fault of the USPTO.

Respectfully submitted,

Date: Feb. 1, 2006
